Jessica McPherson will be teaching in Y3

Sarah Brown, who has been covering teachers' planning and preparation time in Y6 will be teaching in Y5.

Katie McCann who has covered teachers' planning and preparation time in Y3 and Y4 is leaving to concentrate on her studies.

I would also like to welcome back **Ilana Le Roux** and **Laura Brown** from maternity leave.

I would like to personally thank all staff, pupils, parents and carers for another great year at Old Ford Primary Academy. It has been a challenging and exciting year in many ways: we have a new curriculum, new tests (with much higher expectations) and new methods of assessment. I am happy to say that we have continued to maintain our high standards and do better than most schools nationally. This is down to the relentless work that staff have put in with the pupils and your support from home. I would also like to thank each and every pupil for their effort this year. You can all be very proud of yourselves!

Have a great Summer and I will see you all again in September!

Yours faithfully,

Kevin Jones
