## 'SNAPCHAT'

Parent/carers,

Please be aware that 'Snapchat' a popular social media app, which several of our pupils have told us they have had experience of using, has just launched another new feature called 'Snap Maps.' This feature puts users and their snaps onto a map, so friends and other Snapchatters can see where they are and what they are doing. It has raised a lot of concerns amongst child safety experts.

The NSPCC advise that young people should set Snapchat to 'ghost mode' which means that no one can see your location. Instructions on how to do this can be found on the CBBC newsround website:
