<p style="text-align: center;"><u>Class Teachers</u></p> <ul style="list-style-type: none"> ● Fatuma Amin (NC) ● Amina Khanom (NI) ● Tara Chambers (NE) 	<p style="text-align: center;"><u>Nursery Nurses /TAs</u></p> <ul style="list-style-type: none"> ● Chantal Marc (NI) ● Natasha Chambers (NE) ● Sharon Snook /Sabina Knanom (NC)
<p style="text-align: center;"><u>Midday Meal Supervisors</u></p> <ul style="list-style-type: none"> ● Rufia Begum ● Luky Begum 	<p style="text-align: center;"><u>SEND/ intervention staff</u></p> <ul style="list-style-type: none"> ● Luky Begum SEND TA ● Shelim Sultan SEND TA

Activities we do everyday

Nursery rhymes/ songs/ counting activities, phonics, handwriting, recognise and write our own names.

The topic for this term is “The Rainforest”

During this half term children will be learning about ‘The Rainforest’. This will all be done through a comprehensive cross-curricular topic that will fully immerse them into the world of tropical rainforests. Children will discover where the rainforests are in the world and who lives in the rainforest. They will look at the different fruits found in the rainforest and which animals live there. We will be doing many activities based on our topic including:

- Animals and creatures of the Rainforest
- Fruits and vegetables found in the rainforest.
- Different types of weather
- Map work/ Countries looking at the different rainforests in the world
- Making animal masks
- Visit to Stepney City Farm-
