This term the Provision class will be focusing on the topic “transport and holidays”. What does it mean to travel, to go on vacation and to see different places? What kind of place can we visit when we travel? And most importantly, how do we get there?

In literacy, we will be reading stories focused around transport and travelling such as “Mr Grumpy’s motor car” by John Burningham and “Snail and the whale” by Julia Donaldson.

In Numeracy, we will be focusing on learning about money (coins and notes) and about measuring the length and the weight of different items.

We will produce lots of art work about our topic around the following themes:

- Making our own cars out of paper
- Making our own double decker bus out of cereal boxes
- Writing a postcard from an amazing holiday destination!
- Writing a list of the things we need to bring on holiday
