

## Academy Council Meeting 04/03/25

1. Kevin read through notes from last meeting:
  - School photographs will now accommodate siblings
  - Response to having an OFPA afterschool club was limited so Olga provision will continue
  - Kevin to add Academy Council bios to upcoming newsletter
2. Councillors asked about a specific email inbox for Academy Councillors. Kevin said he would look into this, but might be difficult due to the school's computer systems being quite secure.
3. Discussed low attendance at Academy Council meetings. Maybe we could have a more informal meeting next time with coffee and tea?
4. Concern raised about when a supply teacher has a class. Sometimes communication with parents/carers is not good. Kevin said he would follow up.
5. Used school uniform shop raised again. Kevin explained that staff are pushed for time and would welcome parent/carer support on this. Kevin to speak to Shabina. Several council members said that they may be able to help.

**Next meeting Tuesday 29th April at 9.15am**
