<p><b><u>Midday Meal Supervisor</u></b></p> <ul style="list-style-type: none"> <li>• Rufia Begum</li> <li>• Luky Begum</li> </ul>	<p><b><u>SEND/ intervention staff</u></b></p> <ul style="list-style-type: none"> <li>• Luky Begum</li> <li>• Shannon Smiley</li> </ul>

**The topic for this term is “Dinosaurs and Animals”**

- During this half term Nursery pupils will explore the fascinating world of dinosaurs and animals. Pupils will talk about their characteristics such as how they look, the noise they make and how they move and what they eat.
- This will include using resources related to the dinosaurs and animals topic to cover English, mathematics, art and music.
- We will be doing many activities based on our topic including:
  - Learning the names of dinosaurs and animals
  - Identifying Ocean animals
  - Where dinosaurs and animals lived.
  - Looking at how dinosaurs had their babies, (dinosaurs eggs and nests.)
