<p style="text-align: center;"><u>Class Teachers</u></p> <ul style="list-style-type: none"> ● Fatuma Amin (NC) ● Amina Khanom (NI) ● Tara Chambers (NE) 	<p style="text-align: center;"><u>Nursery Nurse /TA</u></p> <ul style="list-style-type: none"> ● Chantal Marc (NI) ● Natasha Chambers (NE) ● Sharon Snook / (NC)
<p style="text-align: center;"><u>Midday Meal Supervisor</u></p> <ul style="list-style-type: none"> ● Rufia Begum ● Luky Begum 	<p style="text-align: center;"><u>SEND/ intervention staff</u></p> <ul style="list-style-type: none"> ● Luky Begum SEND TA ● Shannon Smiley

Activities we do everyday

Nursery rhymes/ songs/ counting activities, phonics, handwriting, recognise and write our own names

The topic for this term is “New life”

During this half term we will be learning how to recognise living things and begin to develop an understanding about what the plants and animals need in order to grow and be healthy. We will also learn the life cycle of a frog, and have the opportunity to experience ducklings hatching. We will learn about animals and their babies including their habitats. We will be doing many activities based on our topic including:

- Close observation and drawings of flowers and plants
- Planting sunflower seeds and other seeds for our garden
- Observing the changes in seasons and new growth.
- Invite parents with babies for show and tell (**real life experience**)
Bring baby in and to talk about what a baby needs and how to care for a baby
