

March 2026

RECEPTION KEY INFORMATION – Spring 2 2026

The topic for this term is “New life”

During this half term we will be learning about plants and animals. What do they need in order to grow and be healthy? We will also learn about the life cycle of a plant and a duck, and will have the experience of planting cress.

We will be doing many activities based on our topic including:

- Close observational drawings of plants, flowers and naming the parts
- Planting vegetables and flowers
- Observing the changes in seasons and new growth
- Making bread and sandwiches
- Visit from Rev, Darius for the Easter story and an Easter egg hunt.
