

YOUNG HEALTH HUB LAUNCH

Young Health Hub invites you to our launch and find out about:

- How to access support and what you can expect
- Health needs assessments for reception and year 6
- Vision and hearing screening
- National Childhood Measurement Programme (NCMP)
- Managing long term medical conditions
- Individual healthcare plans
- Substance misuse
- Sexual health support and treatment
- ECHO – opportunities to have your say and have a voice
- Young Health Hub Board (for year 9 students)
- Young health hub's website and social media
- Volunteering opportunities

**24 July 2026
2pm to 5pm
Town Hall
(Whitechapel)**

There will be fun activities, competitions and prizes.

You can also speak to the Young Health Hub team about getting support while you are visiting.

Follow us on social media for more information
